

THE DAYDREAM CLUB

Best known for redefining high-style accommodation in Vietnam, The Reverie Saigon has launched its very own yacht: an 18.3m Monte Carlo 6 decked out in teak wood and exquisite leatherwork. Available for private charters of two-and-a-half, five and eight hours (prices start at 50 million dong), the vessel can comfortably accommodate 10 guests and is staffed by a crew of three, plus a private butler. Cruising options can include a champagne picnic, an exploration of the Can Gio UNESCO Biosphere Reserve's lush river delta, and a suitably hedonistic eight-hour excursion anchored by a stop at Taekwang Jeongsan Country Club for a round of golf. www.thereveriesaigon.com
