

The Reverie Saigon has debuted as the most spectacularly extravagant hotel in Vietnam and as the one and only member property of The Leading Hotels of the World in all of Vietnam.

Designed with the discerning travellers in mind, works by some of Italy's most acclaimed brands were brought together to present an eclectic, yet complementary array of interior design styles marked by one common thread – a celebration of the exceptional skill and beauty behind Italian artistry and craftsmanship. There is only one Saigon, and there is only one Reverie – culminating in one of Southeast Asia's most dynamic and colourful destinations. You've never seen or experienced Vietnam like this before...
